We provide services in our Columbia City office for clients who live outside our service area.

### **IUI Sample Prep (Sperm Washing):**

Sample prep is needed for fresh samples or frozen ICI vials.

Standard Wash: \$200

Density Gradient Wash: \$250

Swim-up Wash: \$250

### **Cancellation Policy**

If you decide to cancel your IUI cycle, please let us know as soon as possible, no later than the first day of your anticipated ovulation date range.

Once you are on the IUI schedule, we are on call for you. If you decide not to inseminate after all, you must notify the midwife to be taken off the schedule. If you neglect to notify the midwife that you have decided to cancel your IUI cycle, you will be charged a \$50 no show fee.

The no show fee does not apply to situations when ovulation signs are missed, as long as the midwife is notified right away, no later than the last day of your anticipated ovulation date range.
